ORDER NO. R8-2004-0028

Rescission of Waste Discharge Requirements and Enforcement Orders
for
Specific Facilities

The California Regional Water Quality Control Board, Santa Ana Region (hereinafter Board), finds that:

1. The Orders listed in Attachment "A" were issued by the Board at various times for the facilities described therein. Attachment "A" is hereby made a part of this Order. Waste discharge requirements and enforcement orders for the facilities listed in Attachment "A" are no longer necessary because the facilities will be regulated pursuant to the terms and conditions of the General Permit for Storm Water Discharges Associated with Industrial Activities, Order No. 97-03-DWQ, or because the facility is in compliance with enforcement order
2. This action is based on the fact that specific discharges are now covered under other waste discharge requirements, or that enforcement orders have been satisfied. As such, this action is exempt from the requirements of the California Environmental Quality Act in accordance with Section 15061 (b) (3), Chapter 3, Title 14 of the California Code of Regulations.
3. The Board has notified the dischargers and interested agencies and persons of its intent to rescind the Orders for the facilities listed in Attachment "A", and has provided them with an opportunity to submit written comments and recommendations.
4. The Board, in a public meeting, heard and considered all comments pertaining to the rescission of waste discharge requirements.

IT IS HEREBY ORDERED that the orders listed in Attachment "A" be rescinded.

I, Gerard J. Thibeault, Executive Officer, do hereby certify that the foregoing is a full, true, and correct copy of an Order adopted by the California Regional Water Quality Control Board, Santa Ana Region, on March 12, 2004.

Gerard J. Thibeault
